

## WCRA Fall 2016 Convention Information - Oshkosh

**Convention Folder Pickup:** You can pick up your convention folder Friday afternoon or Saturday morning at the registration table.

**Charity Information:** Our charity for this convention will be The Career Closet, which is an on-campus program through UW-Oshkosh dedicated to providing professional attire to students who are preparing for an interview, networking, or participating in an internship where professional attire is needed. Please drop off your donations at the registration table.

**Door Prizes:** We will be giving out door prizes from various vendors and reporters. If you would like to donate a door prize, please bring the item to the convention and give it to the people at the registration table.

**Social Package:** For those of you who are retired or would like to reunite with old friends or attend the business meeting but do not wish to attend the seminars, WCRA continues to offer a social package. This includes Saturday's breakfast, lunch/business meeting, snack, and Sunday's breakfast. The cost will vary for each convention based on the hotel charges. It does not include admission to the seminars.

**Raffle for Student Scholarship/Recruitment & The Career Closet:** WCRA will be hosting a raffle, but we need your help! Could you please support our raffle by either contributing a cash donation or providing a gift basket? Please contact Lori Baldauf at [baldaufloori1@hotmail.com](mailto:baldaufloori1@hotmail.com) and/or Connie Tocco at [connietocco2@gmail.com](mailto:connietocco2@gmail.com).

**Sponsor-A-Student:** Our students need sponsors. Your donation would be greatly appreciated. Please check the "student sponsor" area on your registration form. Students are our future!

**Steno Machine Cleaning & Tuning:** Steve Worth from Worth Business Equipment will be available Saturday, September 24th, to clean and tune up machines. He services most steno machines with a couple of exceptions. If you know that you need a specific part(s) (tripod, display, etc.), Steve would like to know ahead of time so he has the parts available. You will need to schedule a time slot with him directly, and he will notify you of his current cleaning prices. Contact him at 773-777-1474 or e-mail him at [worth4154@msn.com](mailto:worth4154@msn.com).

**Steno paper:** Please bring any steno paper to the registration table to be used for the eight-week introductory court reporting class that will be taught in the Wausau area by Karla Sommer and Mary Bader.

**Realtime Contest:** On Saturday, there will be a realtime contest in the early morning. The fee for entering the contest is \$15, and you have the potential to earn CEU points upon successful testing.
